## **Continuation Sheet (PTO-303)**

Continuation of 3. NOTE: Newly added claim limitations "static form data already stored on the printing device," and "a copy of the static form data need only be stored on the printing device" found in claims 1, 5, 8, 11, 19, and 24 raise new issues that would require further consideration and searching.

Continuation of 11. does NOT place the application in condition for allowance because: it relies on the newly added limitations, not being entered, and the claimed limitations of the finally rejected claims are still met by the prior art of record.
